X1 1.	Comment. The so-called Projektierungs-Hauptbuero (Main Designs Office) has the mission to produce the designs for all military construction projects in East Germany. The construction projects themselves are executed by the Bauunion firms. It is believed that the so-called research department will have the mission to check on the suitability of all designs for military installations. Wilhelm Mayer heads the construction and billeting departments at the Ministry of the Interior/KWP. The main designs office moved from Magervichhof to Behren Strasse.
